Avsmakning: "The 2012 Chianti Classico Riserva Vigneto Il Poggio is dark, sensual and inviting. Silky tannins give the wine immediacy, and sweet red cherry, blood orange, herbs and sweet tobacco are all nicely delineated. Readers will have to give the 2012 at least a few years for the wine to shed some of its youthful intensity. Even so, this looks to be a relatively approachable vintage for Il Poggio that won't need a ton of time be accessible. If opened young, though, the 2012 needs quite a bit of air." 94p - Vinous
